Erasmus Day at the Faculty of Agrobiotechnical Sciences Osijek

Faculty of Agrobiotechnical Sciences joined the celebration of the 35th anniversary of the Erasmus+ program. On 13 October 2022, the Office for International Cooperation and Projects organised the Faculty's Erasmus Day, on the occasion of which two former Erasmus students presented their Erasmus mobility experiences. A guest lecture was delivered by an American professor who shared his experience of long-term cooperation with the Faculty. The Faculty's Erasmus Day proceeded with the presentation of the graduate study programme in Digital Agriculture taught in English language. The event was attended by 69 students who actively engaged in discussions.
